Races to count:	3	3	4	4	5	5	6	6	7	7	8	8

Langstone Harbour Combined Clubs Series 2018

Race Planning Note

The Langstone Harbour Combined Clubs Series (LHCCS) will comprise all the races from the three club regattas together with races from the Langstone Harbour Race Weekend.

Results will be scored in the fleet bandings stated in the LHCCS NOR, regardless of how the individual races were run.

This requires that each race be run in a manner which will permit this:

- If the PY bands used in an individual race are the same as those in the LHCCS NOR then different courses may be used for different fleets.
- PY bandings different to those in the LHCCS NOR may be used in an individual race provided all boats sail round the same course and have their times and lap count recorded.
