	Cadets
	As soon as you arrive, please sign on. You will be given a wrist band that must be handed back when you sign off.
	We can only allow 32 cadets on the water – we work on a first come, first served basis.
	If you would like to use a club boat, please register your interest with Anthea. Boats will be allocated to the cadets who have used the club boats the least that season. Consideration will also be given to cadets without a boat.
	Please get changed and then start rigging your boats
